THE WILDLIFE SOCIETY
NOMINATIONS FOR OFFICES, 1955 - 56

President: Justin W. Leonard
John S. Gottschalk

Vice-President: Hayden Olds
E. L. Cheatum

Regional Representatives

Region I: Roger Latham
William Sheldon

Region II: Leonard Foote
C. E. Carlson

Region III: D. W. Douglass
S. C. Whitlock

Region IV: Lee E. Yeager
Ralph R. Hill

Region V: Wendell G. Swank
F. M. Baumgartner

Region VI: A. S. Leopold
J. B. Lauckhart

Region VII: Ian McT. Cowan
C. D. Fowle

INDEX FOR VOLUME 18

Age determination
  preparation of tooth sections in, 535
  wood duck, 280
Allen, Arthur A. Book review, 278
Armour, C. J., see Thompson, Harry V., 411
Aspen
  logging and available browse, 266
  utilization by beaver, 348
Atkeson, Thomas Z. and Lawrence S. Givens. The use of livestock pastures in southeastern waterfowl management, 407

Bailey, R. Wayne. Status of beaver in West Virginia, 184
Bancroft, T. A., see Kozicky, E. L., 259
Bass, smallmouth, in a warm-water stream, 207
Beaver
  handling, 533
  status in West Virginia, 184
  utilization of aspen by, 348
Belcher, James H., see Kilham, Lawrence, 402
Bellrose, Frank C. The value of waterfowl refuges in Illinois, 160
Bluegill, age and growth of impounded population, 358
Boussu, Marvin F. Relationship between trout populations and cover on a small stream, 229
Brock, Vernon E. A preliminary report on a method of estimating reef fish populations, 297
Browse available after aspen logging, 266
Bumsted, Alec R. A method of obtaining better utilization of shrubs by landowners, 539
Buss, Irven O. and Byron A. Schottelius. Breeding age of blue grouse, 137
Buss, Irven O. Book review, 399
Butterfield, Robert T. Some raccoon and groundhog relationships, 433
Campbell, Howard. Avian malaria in relation to survival and growth of a group of young Gambel's quail in captivity, 416
  use of oil dust baths by quail, 543

Caribou, mountain, fire and the decline of, 521
Carp, destruction of aquatic vegetation by, 247, 251
Caswell, Edwin B. A method for sexing blue grouse, 139
Census
  aerial and ground, of moose, 403
  analysis of woodcock, 259
  fish, in streams, 461
  pellet counts, 418
  reef fish, 297
  small mammal, 503
Chub, least, food habits of, 226
Cleary, Robert E. and John Greenbank. An analysis of techniques used in estimating fish populations in streams, with particular reference to large, non-trout streams, 461
Clothier, William D. Effect of water reductions on fish movement in irrigation diversions, 150
Cole, LaMont C. Some features of random population cycles, 2
Cottam, Clarence. Letter to Editor, 134
  and David A. Munro. Eelgrass status and environmental relations, 449

  use of oil dust baths by quail, 543

Caribou, mountain, fire and the decline of, 521
Carp, destruction of aquatic vegetation by, 247, 251
Caswell, Edwin B. A method for sexing blue grouse, 139
Census
  aerial and ground, of moose, 403
  analysis of woodcock, 259
  fish, in streams, 461
  pellet counts, 418
  reef fish, 297
  small mammal, 503
Chub, least, food habits of, 226
Cleary, Robert E. and John Greenbank. An analysis of techniques used in estimating fish populations in streams, with particular reference to large, non-trout streams, 461
Clothier, William D. Effect of water reductions on fish movement in irrigation diversions, 150
Cole, LaMont C. Some features of random population cycles, 2
Cottam, Clarence. Letter to Editor, 134
  and David A. Munro. Eelgrass status and environmental relations, 449

Cover
and trout in a small stream, 229
preference by pheasants in winter, 229
Cowan, Ian McT. Book review, 274
Crawford, Ronald W., see Robins, C. Richard, 366
Cycles in animal populations, a symposium, 1–112

Dahlen, James H. and Arnold O. Haugen. Acute toxicity of certain insecticides to bobwhite quail and mourning dove, 477
Damage, rabbit, to oak reproduction, 423
Dasmann, Raymond F., see Taber, Richard D., 309
Davis, David E. and Calvin Zippin. Planning wildlife experiments involving percentages, 170
Deam, Charles Clemons, obituary, 397
Deer
locating fawns with deer call, 537
mule, mortality in, 142, 309
mule, sex difference in mortality, 309
mule, water consumption, 540
white-tailed, management, 482
Diem, Kenneth L. Use of a deer call as a means of locating deer fawns, 537
Disease
avian malaria in Gambel's quail, 416
lead poisoning, 315
Dobie, John G. and William H. Marshall. Notes on the results of certain CCC plantings on the Paul Bunyan State Forest, Minnesota, 531
Dorney, Robert S. Ecology of marsh raccoons, 217
Dove, mourning, toxicity of insecticides to, 477
Dreis, Robert E. A field observation method of aging broods of wood ducks, 280
Duck
mallard, fertility of, 495
mallard, lead poisoning and fertility, 315
trapping and handling, 405
wood, aging broods, 280

Eckert, Theodore E. Book review, 273
Education, in wildlife management, 145
Edwards, R. Y. Comparison of an aerial and ground census of moose, 403
fire and the decline of mountain caribou herd, 521
see Fowle, C. David, 503
Eelgrass
status and environmental relationships, 449
Elder, James B. Notes on summer water consumption by desert mule deer, 540
Elder, William H. The effect of lead poisoning on the fertility and fecundity of domestic mallard ducks, 315
and Milton W. Weller. Duration of fertility in the domestic mallard hen after isolation from the drake, 495
Erickson, Arnold B. Book review, 142
Errington, Paul L. On the hazards of overemphasizing numerical fluctuations in studies of "cyclic" phenomena in muskrat populations, 66
Ethics in wildlife management, 289

Fertility
duration of, 495
and lead poisoning in mallards, 315
Fire, and the decline of mountain caribou herd, 521
Fish
estimating populations in streams, 461
movement, effect of water reduction on, 150
populations in Pymatuning Lake, 286
reef, estimating populations of, 297
Fisher, H. D. and B. A. Mackenzie. Rapid preparation of tooth sections for age determination, 535
Food habits
identifying *Polygonum* seeds in, 514
least chub, 226
Forests, wildlife management in National, 425
Fowle, C. David and R. Y. Edwards. The utility of break-back traps in population studies of small mammals, 503
Friley, Charles E. Jr. Daily patterns of pheasant hunting pressure, 255
Fur statistics in Alabama, 539

Gangwer, Samuel N., obituary, 136
Gars, longnose and shortnose, life history and management in Florida, 438
Geis, Aelred D. Rabbit damage to oak reproduction at the Kellogg Bird Sanctuary, 423
Gilligan, James P. Wildlife values in western wilderness area management, 425
Givens, Lawrence S., see Atkeson, Thomas Z., 407
Gizzard worms in Canada geese, 509
Glazener, W. C. Book review, 528

Goose
Canada, gizzard worms in, 509
Canada, parasites in relation to age, 239
Grayling, American, life history and management, 324
Greenbank, John, see Cleary, Robert E., 461
Groundhog and raccoon relationships, 433
Grouse
blue, breeding age of, 137
blue, sex determination of, 139
ruffed, density in Michigan, 542
populations, 109

Hamerstrom, Frances. Book review, 272
Handling
beaver, 533
ducks in live-trap, 405
small mammals, 402
Hanson, Harold C. Apparatus for the study of incubated bird eggs, 191
Hare, snowshoe, populations, 109
Hasler, Arthur D., see Johnson, Waldo E., 113
Haugen, Arnold O., see Dahlen, James H., 477
Helm, William T., see Threinen, C. W., 247
Herman, Carlton M. and Everett E. Wehr. The occurrence of gizzard worms in Canada geese, 509
see Wehr, Everett E., 239
Hewitt, Oliver H.
Book reviews, 528
Editor's note, 369
Introduction to symposium on cycles, 1
Hickey, Joseph J. Mean intervals in indices of wildlife populations, 90
Holloway, Ancil D. Notes on the life history and management of the shortnose and longnose gars in Florida waters, 438
Homeyer, P. G., see Kozicky, E. L., 259
Hoyt, Sally F. Book review, 279
Hunt, Robley W. and Lloyd M. Mangus. Deer management study: Mud Lake National Wildlife Refuge, Holt, Minnesota, 482
Hunter, Carl. The value of bicolor and sericea field border plantings to quail in Arkansas, 343
Hunting pressure, daily patterns of, 255
Hutchinson, G. E. Theoretical notes on oscillatory populations, 107

Incubation, apparatus for study of, 191
Insecticides, acute toxicity of, to quail and doves, 477

Johnson, Donald Ernest. Obituary, 136
Johnson, Waldo E. and Arthur D. Hasler. Rainbow trout production in dystrophic lakes, 113
Jones, Fred L. An unusual cause of deer mortality, 142

Kennamer, Earl F. Size and value of Alabama fur crop, 539
Kilham, Lawrence and James H. Belcher. A device for safe handling of wild mammals in the laboratory, 402
Kill determination, 294
Kozicky, E. L., T. A. Bancroft and P. G. Homeyer. An analysis of woodcock singing ground counts, 1948–1952, 259
Krumholz, Louis A. Book reviews, 400, 527, 530

Lack, David. Cyclic mortality, 25
Lane, Charles E. Jr. Age and growth of the bluegill in Missouri impoundment, 358
Larimore, R. Weldon. Dispersal, growth and influence of smallmouth bass stocked in a warm-water stream, 207
Lead poisoning and fertility in mallards, 315
Leonard, Justin W. Book review, 531
Lewis, John B. Further studies of bob-white mobility in central Missouri, 414
Life history
American grayling, 324
longnose and shortnose gars, 438
Logging of aspen, and browse production, 266
Longhurst, William M. The fecal pellet group deposition rate of domestic sheep, 418
Low, Jessop B. Game farm pheasant returns to the hunters' bag, Weber County, Utah, 1946–1951, 419
Lyon, L. Jack. Pheasant winter roosting cover preference in north-central Colorado, 179

Mackenzie, B. A., see Fisher, H. D. 535
Mammal, small, break-back traps in population studies of, 503
Management
deer, in refuge, 482
gars, longnose and shortnose, 438
grayling, American, 324
waterfowl, pastures in, 407
wilderness, wildlife values in, 425
Mangus, Lloyd M., see Hunt, Robley W., 482
Marking rabbits, 411

Marshall, William H. Ruffed grouse and snowshoe hare populations on the Cloquet Experimental Forest, Minnesota, 109
see Dobie, John G., 531
Book review, 401
Marshes, raccoons in, 217
Martin, Alexander C. Identifying *Polygonum* seeds, 514
McCabe, Robert A.
Book review, 276
Training for wildlife management, 145
McCall, J. D. Portable live trap for ducks with improved gathering box, 405
McGinnes, Burd S. A method of storing and handling shrub lespedeza, 411
Meschkat, Ray S., obituary, 398
Mink, as muskrat predator, 199
Mobility, of bob-white, 414
Moose, census, 403
Moran, P. A. P. The logic of the mathematical theory of animal populations, 60
Mortality
cyclic, 25
mule deer, 309
population abundance and, 45
Moynihan, Martin. Book review, 275
Mud Lake National Wildlife Refuge, deer management on, 482
Munro, David A., see Cottam, Clarence, 449
Murie, Olaus J. Ethics in wildlife management, 289
Muskrat
cyclic phenomena in populations of, 66
predation on, by mink and otter, 199

National forests, wildlife management in, 425
Needham, Paul R. Book review, 277
Nelson, Perry H. Life history and management of the American grayling in Montana, 324
Nesting, apparatus for study of incubation, 191

Obituaries
Deam, Charles Clemons, 397
Gangwer, Samuel N., 136
Johnson, Donald E., 136
Meschkat, Ray S., 398
Otter
feeding habits, 141
predation on muskrat, 199

Palmer, Walter L. Unusual ruffed grouse density in Benzie County, Michigan, 542
Parasites, gizzard worms in Canada geese, 509
Pendleton, Robert C. and Earl W. Smart. A study of the food relations of the least chub using radioactive phosphorus, 226

Petrides, George A. Estimating the percentage kill in ringnecked pheasants and other game species, 294
Pheasant
game farm, in hunters' bag, 419
patterns of hunting pressure on, 255
percentage kill in, 294
winter roosting cover, 179
Plantings
CCC, in Minnesota, 531
utilization of shrubs in, 539
value of field border, 343
Polygonums, identifying seeds of, 514
Population
bluegill, age and growth of, 358
cycles in animal, 1–112
fish, in Pymatuning Lake, 286
fish, census in streams, 461
grouse, ruffed, 109
hare, snowshoe, 109
indices, mean intervals in, 90
mammal, small, 503
mathematical theory, 60
muskrat, cyclic phenomena, 66
oscillatory, 107
Predation, on muskrat by mink and otter, 199

Quail
bobwhite, mobility, 414
bobwhite, toxicity of insecticides to, 477
Gambel, avian malaria in, 416
use of oil dust baths by, 543
value of border plantings to, 343

Rabbits, marking, 411
Raccoon
and groundhog relationships, 433
ecology of, in marshes, 217
Radioactive phosphorus
use of, in food study of least chub, 226
Recent publications, 278, 530
Refuge
Mud Lake National Wildlife, 482
value to waterfowl in Illinois, 160
Research, planning experiments involving percentages, 170

Reviews, 142, 272, 399, 527
